GLOVE

With its curved shape, velvety feel and warm colours, the Glove sofa by Fabrice Juan is an invitation to relax. The curvature of the sofa can also be used to enhance spaces, separating the living room from the dining room, for example, to create a convivial atmosphere.

MARTE

StudioNotte's new Marte collection consists of a floor candelabra and a liquor cabinet. Its maximum potential is expressed during the night: by lighting the candles, the furniture creates an intimate atmosphere in contrast with their essential forms and the rigidity of steel.
